DRAFT

Several residents voiced their concern about the 'Half Acre, Hawkley Road' application for permanent planning permission. Councillors sympathised and expressed regret that EHDC appear no nearer to establishing an authorised site than 3 years ago. Judy Onslow reported that this remained a number one priority for EHDC in the face of great difficulties, not all financial. The perceived inequalities in the current system were felt by all present to be unfair. While the approach of the new Government may bring about changes to the redress the balance, these will take time to be reflected in changes to planning legislation.

Councillor Nick Davis and County Councillor Vaughan Clarke were both on holiday; Councillor David Caukill was absent due to another commitment.

10/18 Declarations of Interest

Councillor Jilly Caesar declared an interest in agenda item 6d) recorded below as 10/21d), the nature of that interest being the same as that declared at the previous meeting, and Councillor Charlie Butcher declared an interest in the same item, as he is helping to organise the event. 10/20 Report of County Councillor

No report due to absence

10/21 Finance:

- a) The financial statement showed recent transactions and payments to be approved.
- b) HPC has passed the internal audit with no queries arising. However the auditor had pointed out that the Parish Council must be careful not to hold onto high reserves without a budgeted cause, to which the Clerk had responded that a grant had been promised to Hawkley Parish Hall but not yet paid and that the amount was not yet fixed. The Clerk also informed Councillors that such a grant would not in fact be categorised as 'section 137 expenditure' with its attendant limits and could therefore be higher than previously proposed, if Councillors wished.
- c) It was agreed that Liss and District Voluntary Care Group provides a very worthwhile service and a grant of £200.00 was approved.
- d) All present agreed that the plan to hold a party on the village green was extremely worthwhile, in promoting the village hall project and in enabling the whole village to get together. A grant of £500 towards the cost of it was agreed.
